## EDUCATION

---

**Dr. APJ Abdul Kalam Technical University (AKTU)** 2022 - Ongoing  
*Bachelor of Technology in Computer Science and Information Technology (CGPA of 8.55)* *Ghaziabad, India*

## POSITION OF RESPONSIBILITY

---

**Cloud Computing Cell** November 2023 – Present  
Co-ordinator and Backend Developer

- Collaborating with a 45-member team to foster technical initiatives at the college and oversee diverse projects.
- Conducting diverse workshops on Docker, Github and Python, providing instruction to over 150+ students.

## PROJECTS

---

**Quiz App** | *Django Rest Framework, PostgreSQL, React.js, Tailwind* [Github](#)  
\* Implemented two-factor authentication using OTP via email, leaderboard functionality, and JWT authentication.  
\* Successfully conducted and tested the quiz in a live environment with over 60 concurrent users.

**Learning Management System** | *Django Rest Framework, SQLite, React.js, Tailwind* [Github](#)  
\* Developed a comprehensive Learning Management System (LMS) designed to facilitate online education with features like course management and shopping cart functionality.  
\* Integrated video commenting and Knox-powered user authentication to provide an immersive and secure learning experience.

**Access Guard** | *Django Rest Framework, MySQL* [Github](#)  
\* It is a robust multi-user access authentication system designed to provide seamless and secure access to resources.  
\* Whether it's a web application, API, or any other digital service, AccessGuard ensures that only authorized users can access the system, safeguarding sensitive data and resources from unauthorized access.

## TECHNICAL SKILLS

---

**Languages:** Python, C/C++, JavaScript, HTML/CSS, Java.

**Frameworks:** Django, React, Rest API, Tailwind CSS.

**Database:** PostgreSQL, MySQL, SQLite.

**Tools:** Git/GitHub, Docker/DockerHub, Colab, VS code.

**Additional Skills:** Problem solving, Teamwork, Adaptability.

## ADDITIONAL

---

### Certifications

- Fundamental of Python programming - E and ICT Academy, IIT Kanpur
- Enhancing soft skills and personality - NPTEL (IIT Kanpur)

### Language Skills

- English (Moderate)
- Hindi (Native)
